PLEASE READ THIS IMPORTANT INFORMATION

- People with limited incomes may qualify for extra help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't have a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at ssa.gov/medicare/part-d-extra-help.
 - If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
 - **If you are a member of a Medicare Advantage plan** (like an HMO or PPO), you may already have prescription drug coverage from your Medicare Advantage plan that will meet your needs. By joining the Health Options Program, your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage, as well as your prescription drug coverage. Read the information that your Medicare Advantage plan sends you, and if you have questions, contact your Medicare Advantage plan.
 - **If you currently have health coverage from an employer or union, joining the Health Options Program could affect your employer or union health benefits.** You could lose your employer or union health coverage if you join the Health Options Program. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If you don't have contact information, your benefits administrator or the office that answers questions about your coverage can help.
- By completing this enrollment application, I agree to the following about the Medicare Plus Rx and Medicare Standard Rx Options (the "plan"):**
- The plan is a Medicare drug plan and has a contract with the federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A or Part B coverage. It is my responsibility to inform the plan of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare prescription drug plan at a time—if I am currently in a Medicare prescription drug plan, my enrollment in the plan will end that enrollment.
 - Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes if an enrollment period is available, generally during the Option Selection Period (early October to mid-November), unless I qualify for certain special circumstances.
 - The plan serves a specific service area. If I move out of the plan area, I need to notify the plan, so I can disenroll and find a plan in my new area. I understand that I must use network pharmacies except in an emergency, when I cannot reasonably use the plan's network pharmacies. Once I am a member of the plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage from the plan when I get it, to know which rules I must follow to get coverage.
 - I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

PLEASE READ THIS IMPORTANT INFORMATION *continued*

- Counseling services may be available in my state to provide advice concerning Medicare Supplement insurance or other Medicare Advantage or prescription drug plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.
- I understand this application is subject to approval by the Health Options Program, a voluntary health benefits plan sponsored by the Pennsylvania Public School Employees' Retirement System, and any coverage provided will be subject to the terms of the applicable description of benefits and standard health insurance procedures and practices. Any person or organization that has provided or that may provide health care services to me or any person named on this application, either prior to or during the period of coverage, is authorized to furnish the PSERS Health Options Program and any third-party payer any information or records relating to these services.
- I understand that premiums will be deducted from my monthly benefit from PSERS, unless the amount of the monthly benefit is insufficient to cover the premium, at which time I will be billed directly. [If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D IRMAA), you must pay this extra amount in addition to your plan premium. DON'T pay the Part D IRMAA to the Health Options Program.]
- I understand that my election of a coverage option is for the following calendar year or the remainder of the current calendar year and cannot be changed during the year, unless I have a "Qualifying Event" as defined in the communication materials.
- I verify that the information given in this application is true and correct and understand that false statements made herein or fraudulent claims made hereunder are subject to penalties under 18 PA C.S.A. §4117 relating to health insurance fraud.
- I understand that I will not be eligible for prescription drug coverage through the PSERS Health Options Program if I elect Medicare prescription drug coverage (Part D) from another provider.

Release of Information

By joining this Medicare prescription drug plan, I acknowledge that the Health Options Program will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by federal law that authorizes the collection of this information. My response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under state law where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that (1) this person is authorized under state law to complete this enrollment, and (2) documentation of this authority is available upon request by the Health Options Program or by Medicare.
